Motivated psychology student pursuing a future career in Human Resources with a strong foundation in communication, customer service, teamwork, organization, and understanding human behavior. What makes me professionally unique is my ability to connect my psychology knowledge with my retail experience. Working at Old Navy has strengthened my ability to communicate with people from different backgrounds and solve issues. I bring a dependable, supportive, people-focused approach to my work and am eager to apply my knowledge of human behavior and workplace relationships to Human Resources.
